Students will have the opportunity to work with Dr. Jared Rawlings of the University of Utah and will perform at Salem Hills High School on Saturday January 21st. Congratulations Valley View Middle School band students!

## CLASS CHANGES

Requests for changes to the student schedule may be submitted from December 17 through January 10. Changes will be considered on a space available basis. It is important to understand that all students are fully scheduled for the entire year based on their original requests, therefore, most classes are already at capacity. Submitting a request to change a class does not guarantee that the change can be made. All completed changes will be reflected on the Infinite Campus Portal. 1) Look at the current schedule and identify the class period of the requested change. 2) Consult the master schedule document for possible alternative classes in the appropriate class period. 3) Complete the request form, **between December 17th and January 10th**, including at least one replacement class to add for each request.
