

Cake Mix Food Drive

with Tabitha's Way
October 24-28

**Valley View Middle School
and Tabitha's Way need
your help!**

Send any variety (from any brand) of boxed cake mix with your kids to school. Our drive will be held from **October 24th-28th**. We are collecting cakes mixes for Thanksgiving baskets. Your students can drop off their cake mixes in any of the 3 collection stations around the school.

Tabitha's Way redistributes an average of over 100,000 pounds of food per month. Over 90% of the food redistributed comes from food drives and grocery rescue. They rely on our food drive and other donations to have a successful and sustainable food pantry.
