Updated the council list
Improve student wellness in the school that we're currently doing: PE teachers explaining health topics, CCAA food unit, counseling lessons, buddy groups for counseling, mental health help, Raptor roundup, vending machine is run by the same company and no selling of foods/snacks outside of the vending machine.
Possibilities: Healthy habits week (habits not determined yet) (PTO and office willing to help with that), less unhealthy rewards, talk to teachers about unhealthy rewards. Breakfast with fruit and muffins, Games and exercise available before school, have healthy options available at the office if students want healthier options.
Employee wellness climate: Wellness requirements
3. **To Do Items :**
 - Discuss new plan for next year
Trustlands: FTE, conference registrations, chromebooks, classroom technician, gifted and talented period and supplies
TSSA: Pay for teacher, gifted and talented period and supplies, 2 days of instructional training, 2 days of teacher collaboration in summer
NEW NEXT YEAR: Teacher mentor program
4. **Closing:** Dave Knudsen
