Students:

a-We are offering healthier choices in the vending machines.

b-Thinking of opening the gym during lunch recess

c-Thinking about how to offer extra curricular activities before or after school for the students. Bussing is the biggest concern.

d-Teachers are tracking their fitness goals and sending them into Mr. Staheli.

4-Training for Teachers for active shooter- Fight Back Nation - TBD

5-Safe Routes around the school were discussed. It has been much better with the exception of parents doing "U" turns out of the school instead of going around the block:-)
