Validating the Emotion Without Condoning the Behavior

Dealing with concerning behaviors can be difficult for parents of children with disabilities. Many parents struggle knowing how to truly validate or connect with their child during a crisis without first resorting to some kind of negative consequence or punishment.

Join us to learn life-changing parenting techniques that will show you how you can emotionally connect with your child all while teaching them appropriate behaviors.

FINANCE OFFICE

Student Fees - Student Fees are now past due. Fees can be paid at www.myschoolfees.com. If you are experiencing hardship, you may qualify for a fee waiver. Please email christine.beardall@nebo.edu for more information.

ATTENDANCE OFFICE

Please remember to come in the front office anytime you need to check out your student(s). If your student will be absent, please call and excuse them within 5 days. If you receive an email notifying you that your student was absent, you can simply reply to that email and our attendance office will receive it and adjust the attendance.

MEDICAID RESOURCES

Utah has one of the [highest rates of uninsured children](#) in the nation. Covering kids with health insurance is critical to Utah's communities. Studies have shown that a child's health coverage reduces the number of days parents have to miss work because of a sick child. Children with health insurance stay healthier because they receive medical care sooner and more regularly.

CHIP and Medicaid cover Utah children with complete coverage, ranging from regular doctor visits to emergency care. For no cost, children are able to access preventive and routine care including immunizations, dental cleanings and well-child exams. A family of four can earn up to \$53,000 annually and qualify for free or reduced cost health insurance.
