## Spotlight

This week's spotlight is on Savannah Hansen!

I am the SPED Technician here at Valley View Middle School. I am going to school to be a Special Education Teacher. I am the youngest and have an older sister and brother. I have been married for 4 years but no kids yet. My favorite hobby is exploring the outdoors with my husband on our Canam Side by Side. My favorite color is blue. We have two dogs, a Toy Aussie and a Vizsla-a hunting dog. Something interesting about me is that me and my husband lived in a 5th wheel for the first 3 years of our marriage and traveled for my husband's work to places like Texas, Wyoming and Idaho. We can "Be the Magic" at school and in our lives by having a positive attitude.

Say hi to Savannah when you see her in class or the hallways!
