SCHOOL FEES

SCHOOL FEES

Please be aware that in grades 6-12 students are charged fees for certain classes, as well as a registration fee. These fees are approved by the Utah State Board of Education. All secondary fees are paid through www.myschoolfees.com not Infinite Campus. (Only lunch can be paid on Infinite Campus for secondary schools.) If you haven't paid your student's fees for the year, please do so as soon as possible to avoid collection proceedings. If you are experiencing hardship or meet certain income qualifications, you may be eligible for a fee waiver. To receive a fee waiver application, please email christine.beardall@nebo.edu or pick one up in the main office.

Utah Immunization Requirements for

7th Grade Entry 2023/2024

To attend the 7th grade in Utah a student must have proof of receiving the following immunizations:

- 1 Tetanus/Diphtheria/Pertussis (Tdap) booster ***MUST CONTAIN PERTUSSIS***
 - o Tdap required regardless of interval since last dose tetanus/diphtheria containing vaccine
 - o Kindergarten dose does not count as booster requirement for 7th grade
 - o Td is not acceptable
- 1 Meningococcal Vaccine

To claim a personal, religious, or medical exemption, the legal guardian must complete an online educational module (free of charge) and provide a copy of the certificate to the school. The online module can be found at https://apps.usiis.org/vac_edu_module/.

If you do not have access to a computer, the online educational module may be completed at the Utah County Health Department or at your student's school.

For a medical exemption, a written notice from a licensed health care provider must be provided. The notice should state the physical condition of the student, and why that vaccine would endanger the student's life or health. Additionally, a copy of the online exemption certificate needs to be provided.

If you have a financial need for low cost or free vaccines, please contact your school nurse.

You can return this information to your student's current school, or to the middle/junior high school that they will be attending. **Be sure to include the updated vaccination record with this document.**
